

埃塞俄比亞

及在社區推廣提升讀寫和算術能力的計劃。我們特別關注為女孩提供教育，並向社區推廣女孩應享有的權利。

健康兒童：

在貧困地區，兒童很容易患上可預防及治療的疾病，如貧血、蠕蟲感染及因衛生問題而引發的各種疾病。我們與當地政府部門合作，提供基礎健康服務，以協助當地社區建立長遠的衛生習慣。我們亦透過協助兒童杜蟲，提供鐵丸、潔淨水源，以及提升衛生教育等支援，以確保兒童可以身體健康，安全上學。

啟發青少年：

我們集中協助青少年防止早婚和懷孕，並為年輕人提供實用的技能培訓，為未來打好基礎。青少年可以透過學校和社區中心，學習重要的生活技能和健康的資訊，同時培養領導才能和社交技巧。我們更特別為年輕母親提供識字和理財教育。

認識我的國家：

人口超過1.08億

約34%的兒童失學

每1,000名兒童便有59名無法度過5歲生日

自2009年起，救助兒童會已於埃塞俄比亞提供助養計劃。有賴大家慷慨的支持，我們可以透過計劃惠及兒童、家庭以至整個社區。

年幼學童：

兒童的早期教育對於打破貧困循環至為重要。能於幼兒階段接受早期教育的兒童，相比沒有機會接受早期教育的兒童，於未來在學習和社交上表現更為出色。我們支援兒童在知識、行為和體格上的成長，以確保兒童可以在健康和正面的基礎下為入讀小學作好準備。

卓越學生：

我們的教育計劃包括培訓教師，為提高全國的閱讀普及率作出支援，以

謝謝！

Ethiopia

Healthy Girls and Boys:

In impoverished areas, children suffer from many preventable and treatable illnesses. These include anemia, worm infestations and various hygiene-related illnesses. We work with education systems to deliver basic services and life-long healthy hygiene habits. Deworming and iron-tablet provisions, clean water programs and hygiene education keep children safe and in school.

Empowered Teens:

Our work with teens focuses on preventing early marriage and pregnancy and giving young people the skills to build a solid future. Through school and community clubs, teens learn important life skills and healthy behaviors while gaining leadership and social skills. Literacy and financial education are also provided for young mothers.

Country Facts:

More than 108.3 million population

About 34% of girls and boys are out of school

59 out of 1,000 children die before their 5th birthday

Save the Children has provided sponsorship programming in Ethiopia since 2009. Thanks to generous sponsors like you, children, families and entire communities receive the many benefits of our programs.

Early Learners:

Early childhood education is critical to breaking the cycle of poverty. Participants in the Early Learners program make major intellectual and social gains later in life, compared to children without access to similar programs. We support knowledge, behavior and physical growth to ensure a healthy and positive foundation that prepares children for success in primary school.

Successful Students:

Our education initiatives include training for teachers, specialized support to increase reading nationwide, and Literacy Boost and Numeracy Boost programs that involve the community. Special attention is paid to educating girls and educating the community about girls' rights.
