SAVE THE CHILDREN HONG KONG LIMITED

REPORT OF THE TRUSTEES

The trustees have the pleasure of submitting their annual report together with the audited financial statements for the year ended 31 December 2020.

Principal place of business

Save the Children Hong Kong Limited (“the Company” or “SCHK”) is a charitable organisation limited by guarantee, incorporated and domiciled in Hong Kong. Its registered office and principal place of business is at 8/F Pacific Plaza, 410-418 Des Voeux Road West, Sai Wan, Hong Kong.

Principal activities

The principal activities of SCHK are fundraising and creating and delivering evidence-based health, education, protection, and humanitarian programmes for children in Hong Kong and across the world, as well as advocating for and promoting children’s rights.

Business review

Background and business objectives

Established in April 2009, SCHK is an independent, non-profit development and humanitarian organisation and a Member of the global Save the Children movement, the world’s largest independent charity focused on children. The global movement is made up of 30 member organisations, and operates in almost 120 countries. Our ambition for 2030 is to create a world in which all children:

- Survive: No child dies from preventable causes before their fifth birthday
- Learn: All children learn from a quality basic education
- Are Protected: Violence against children is no longer tolerated.

SCHK raises funds, supports programmes in Hong Kong and around the world, to achieve its vision of a world in which every child attains their basic rights to survival, protection, development, and participation. The COVID 19 pandemic, coupled with the impact of conflict and climate change, posed new, urgent challenges for children around the world that Save the Children sought to address directly as well as in collaboration with local partners and communities.

Key Areas of Our Work

SCHK, together with other offices in the Save the Children global movement, focuses on the following areas:

Child Protection

At least three-quarters of the world’s children experience violence. Violence takes many forms, including physical and emotional abuse, sexual abuse and exploitation, and neglect or deliberate deprivation. Growing up with violence, and the threat of violence, can lead to life-long physical, emotional and mental health problems. SCHK works with children, families, communities and societies to put in place laws, policies and services to protect children. We also promote social norms, gender equality, and positive changes in attitudes and behaviours. We work to prevent and respond to all forms of abuse, neglect, exploitation and violence affecting children.

Health & Nutrition

Every child has a right to survival. Yet, every year, millions of children are dying from illnesses that are entirely preventable – and most of them in their first years of life. Children most affected by inequality and discrimination are the most vulnerable as they lack access to quality healthcare, such as vaccines, medicines, or nutrients – all of which save lives. This is especially true in conflict and emergencies, or in poor and deprived areas, where the challenge of keeping children alive is heightened. At SCHK, we strive to provide effective health and nutrition programmes to save children’s lives and ensure they grow up healthy.

SAVE THE CHILDREN HONG KONG LIMITED

REPORT OF THE TRUSTEES

Business review (continued)

Key Areas of Our Work (continued)

Education

All children have the right to learn from a quality education. However, millions of children are being denied this opportunity simply because of who they are or where they live. They are deprived of learning because they are caught up in emergencies, face extreme poverty, or are discriminated against because of their gender, disability or ethnicity. SCHK works to help children develop so they are ready to learn when they start school. We ensure children learn to read and write, and give children safe places to develop essential cognitive and life skills.

Child Poverty

Children are more than twice as likely as adults to be living in extreme poverty. An estimated two out of every five children worldwide lives in multi-dimensional poverty. Children living in poverty face a higher risk of death before age 5, and malnutrition that stunts their growth and development. They also are at greater risk of being out of school, being forced into harmful labour or child marriage, or giving birth while they are still children themselves. SCHK works to lift families out of poverty. We equip adolescents and caregivers with the knowledge and skills they need to better manage their food security and livelihoods, and take a child-sensitive approach to all of our poverty alleviation programmes.

Humanitarian Programmes

SCHK is committed to providing child-focused emergency relief and humanitarian responses in the face of natural and man-made disasters, as well as conflict situations. We also help communities facing recurrent hazards and calamities, particularly those that are highly vulnerable to various hazards due to geographical location, socio-economic conditions and/or war, with disaster risk reduction measures integrated into development programmes to build community resilience.

Investment in Programmes

In 2020, SCHK supported programmes in Hong Kong and countries around the world, with a primary focus on Asia.

As a strategic priority, SCHK continued to expand significantly its own domestic programmes, particularly in the area of child protection with a primary focus on parenting without violence, mental wellbeing of children, and online safety. We conducted 64 sessions of the Heart to Heart Parent-Child Programme to enhance child protection for the most vulnerable families in Hong Kong, and initiated 10 new programmes to build children's resilience and mental wellbeing. In total, SCHK collaborated with 14 partner organisations on projects focused on child protection, education and child rights governance.

On international programmes, SCHK supported 36 development and humanitarian programmes across 13 countries. On child protection, SCHK supported programmes in Bhutan, China, Laos, Sri Lanka and Thailand. On health, SCHK supported communities and health professionals in various parts of China to improve maternal, newborn and child health; as well as programmes targeting child pneumonia – one of the leading causes of preventable death in children under 5 – in Bangladesh and Indonesia. On education, SCHK worked with families, communities, schools and governments in Cambodia, China, Laos, Pakistan, Philippines, Thailand, and Vietnam, to help children reach their full potential. To address child poverty issues, SCHK supported a programme in India to empower rural, adolescent girls with financial literacy, livelihoods, and self-protection skills, as well as other programmes in India and the Philippines to help families recover and build resilience following the COVID-19 pandemic.

SAVE THE CHILDREN HONG KONG LIMITED

REPORT OF THE TRUSTEES

Business review (continued)

Investment in Programmes (continued)

During 2020, humanitarian responses by Save the Children global movement supported children and their families in 136 emergencies across 77 countries. SCHK provided vital funding to many of these responses including: the protracted crises in Afghanistan and the Democratic Republic of the Congo; support to the whole-country response in Lebanon, especially following the Beirut blast; and support to refugees in Sudan. In addition, SCHK secured a grant of HK\$4.52 million from the Disaster Relief Fund of the Government of Hong Kong Special Administrative Region, to distribute essential hygiene, household & shelter, and education items to victims of Cyclone Amphan in India – the costliest cyclone ever recorded in the North Indian Ocean in terms of damage caused.

As noted above, 2020 was an unprecedented year with COVID-19 impacting children and their families around the world. SCHK delivered local emergency relief by distributing face masks, hygiene items, laptops and data access to vulnerable families in Hong Kong. Hygiene kits were donated to Wuhan during the initial outbreak in China. SCHK also contributed to Save the Children's COVID-19 Global Central Fund, to support the pandemic preparedness and response plan worldwide.

Financial Performance

Key Financial Summary

- Total income was HK\$155.21 million, a decrease of 3%, or HK\$4.98 million from 2019. This included general donations from the public amounting to HK\$113.9 million, designated donations primarily from leading corporates, foundations and government amounting to HK\$38.8 million and other income of HK\$2.5 million.
- Funding for programmes was HK\$122.54 million, a decrease of 2%, or HK\$2.33 million from 2019. Total funding for programmes represented 82% of total expenditures in 2020 (2019: 78%).
- Fundraising costs were HK\$23.3 million, a decrease of 29%, or HK\$9.29 million from 2019. Total fundraising costs represented 16% of total expenditures in 2020 (2019: 20%).
- Administration costs were HK\$3.87 million, an increase of 27%, or HK\$0.81 million from 2019. Total administration costs represented 3% of total expenditures in 2020 (2019: 2%).

Donations Summary

SCHK income is primarily derived from donations from individual donors, foundations, corporations, and the Hong Kong Government. These donations are either (i) general donations, with no restrictions by the donor on how they may be used or (ii) designated donations, whose use is restricted to a designated programme, programmes, or types of programmes.

In 2020, despite the very challenging economy and the interruption of our fundraising activities due to the pandemic, we managed to achieve total donations of HK\$152.7 million thanks to the ongoing support of our individual donors, leading corporates, foundations and the Hong Kong government. This represents a decrease of 5% from our 2019 donations of HK\$160.14 million.

Governance and administration

Administration expenditure was HK\$3.87 million in 2020, an increase of 27%, or HK\$0.81 million, from our 2019 expenditure of HK\$3.05 million. The increase reflected the additional resources acquired to support SCHK's strategic growth plan and especially the expansion of services in Hong Kong, the strengthening of risk and governance oversight and the enhancement of information and technology system.

SAVE THE CHILDREN HONG KONG LIMITED

REPORT OF THE TRUSTEES

Business review (continued)

Financial Performance (continued)

Funds Allocation

The majority of organisational spending is dedicated to delivering evidence-based health, education, protection, and humanitarian programmes for children, as well as the promotion of children's rights. In 2020, SCHK spent HK\$122.54 million on programmes, a decrease of 2%, or HK\$2.33 million from 2019.

To ensure every dollar raised is properly used and/or invested to maximise impact, all operations are bound by cost controls and internal policies, in line with Save the Children's global procedures. In addition to continuously improving our efficiencies and costs, SCHK also strives to maintain an optimum balance between investment in key activities such as fundraising and programme delivery, with a target programme expenditure ratio as a percentage of total expenditure of 75-80%.

Accountability measures and internal controls

SCHK remains focused on strengthening its governance, child safeguarding and internal control measures, enhancing the efficiency and effectiveness of its local operations as well as its fundraising efforts under the guidance and stewardship of the Board. By both enhancing and streamlining its operations, SCHK will continue to strive to reduce costs as a percentage of income over time.

Board Subcommittees

Our subcommittees under the Board continued to guide our operations. Each Committee is chaired by one SCHK Board member and all Board members are expected to be members of at least two subcommittees.

Audit, Finance and Risk Committee: Reviews all financial, auditing, governance and risk management issues related to SCHK, including accounting policy and guidelines, capital expenditure, three years growth plan, bi-annual forecast, review of financial results as well as operational, financial and business risks related to SCHK.

Programme Committee: Provides guidance, advice and oversight on the implementation of best-in-class standards in policies and procedures in managing project funding, proper use of donations, as well as monitoring and evaluating the effectiveness of projects to maximise impact for children.

Partnerships and Philanthropy Committee: Defines and approves fundraising strategies and risk mitigation, supports key signature events and facilitates introductions to corporates and foundations.

Governance and Nomination Committee: Reviews current board members based on regular participation and contribution to Board meetings, and identifies suitable candidates to fill Board vacancies, taking into account the qualifications and characteristics requirements formulated by the Board.

Communications Committee: Provides strategic planning support to ensure focus and direction of communication and media engagement.

Strategy Committee: Supports and oversees the development, refinement and implementation of a medium and long-term strategic plan to support continuous growth and increased capacity to deliver our objectives.

Financial statements

The surplus of the Company for the year ended 31 December 2020 and the state of the Company's affairs as at that date are set out in the financial statements on pages 9 to 32.

SAVE THE CHILDREN HONG KONG LIMITED

REPORT OF THE TRUSTEES

Funds

Details of the movements in funds, as described in note 15 to the financial statements, are set out in the statement of changes in funds.

Share capital

The Company was incorporated under the laws of Hong Kong as a company limited by guarantee and without any share capital. The details of the liability of its members are set out in note 1 to the financial statements.

Trustees

The trustees, who pursuant to section 2 of the Hong Kong Companies Ordinance are regarded as directors of the Company, during the year were:

Hing Lun Chan
Farhan Faruqui
Lin Ho-Ping
Winnie Yu Wing, Au-Yeung
Michael Klosson
Ming Yunn Stephanie Hui
Kwong Yui Spencer Wong
Paul Michael Kennedy
Hongxia Catherine Burrows (resigned on 20 November 2020)
Leonie Valentine (resigned on 31 December 2020)

Subsequent to the end of the financial year, Lok Man Norman Tam, Wai Man June Wong and Wing Ho Ringo Ng were appointed as directors on 19 February 2021, 22 April 2021 and 11 June 2021, respectively.

In accordance with article 29 of the Company's articles of association, all present trustees continue in office for the following year.

Trustees' interests

At no time during the year was the Company a party to any arrangement to enable the trustees of the Company to acquire benefits by means of the acquisition of an interest in the Company or any other body corporate.

Trustees' interests in transactions, arrangements and contracts

No transaction, arrangement or contract of significance to which the Company was a party, and in which a trustee of the Company had a material interest, subsisted at the end of the year or at any time during the year.

Auditor

Ernst & Young retire and a resolution for their reappointment as the auditors of the Company will be proposed at the forthcoming annual general meeting.

By order of the trustees

Farhan Faruqui

25 June 2021

Independent auditor's report**To the members of Save the Children Hong Kong Limited**

(Incorporated in Hong Kong and limited by guarantee)

Opinion

We have audited the financial statements of Save the Children Hong Kong Limited (the "Company") set out on pages 9 to 32, which comprise the statement of financial position as at 31 December 2020, and the statement of comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 December 2020, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the HKICPA's *Code of Ethics for Professional Accountants* (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The trustees are responsible for the other information. The other information comprises the information included in the report of the trustees.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent auditor's report (continued)
To the members of Save the Children Hong Kong Limited
(Incorporated in Hong Kong and limited by guarantee)

Responsibilities of the trustees for the financial statements

The trustees of the Company are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the trustees of the Company determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees of the Company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees of the Company either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Independent auditor's report (continued)
To the members of Save the Children Hong Kong Limited
(Incorporated in Hong Kong and limited by guarantee)

Auditor's responsibilities for the audit of the financial statements (continued)

- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SAVE THE CHILDREN HONG KONG LIMITED

NOTES TO FINANCIAL STATEMENTS

31 December 2020

1. CORPORATE INFORMATION

Save The Children Hong Kong Limited is incorporated in Hong Kong as a company limited by guarantee. Its registered office and principal place of business is located at 8/F, Pacific Plaza, 410-418 Des Voeux West, Sai Wan, Hong Kong.

During the year, the Company was involved in fund raising for the promotion of children's rights and the delivery of immediate and lasting relief to children.

Under the provision of the Company's memorandum and articles of association, every member shall, in the event of the Company being wound up, contribute such amount as may be required to meet the liability of the Company but not exceeding HK\$100 per member.

2.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants, accounting principles generally accepted in Hong Kong and the Hong Kong Companies Ordinance.

2.2 BASIS OF PREPARATION

These financial statements have been prepared under the historical cost convention and are presented in Hong Kong dollars ("HK\$").

2.3 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The Company has adopted the *Conceptual Framework for Financial Reporting 2018* and the following revised HKFRSs for the first time in the current year's financial statements, which are applicable to the Company:

Amendments to HKFRS 9, HKAS 39 and HKFRS 7	<i>Interest Rate Benchmark Reform</i>
Amendment to HKFRS 16	<i>Covid-19-Related Rent Concessions</i> (early adopted)
Amendments to HKAS 1 and HKAS 8	<i>Definition of Material</i>

The adoption of the *Conceptual Framework for Financial Reporting 2018* and the revised HKFRSs did not have any significant impact on the financial position and performance of the Company.

SAVE THE CHILDREN HONG KONG LIMITED

NOTES TO FINANCIAL STATEMENTS

31 December 2020

2.4 ISSUED BUT NOT YET EFFECTIVE HKFRSs

The Company has not early applied any of the new or revised HKFRSs that have been issued but are not yet effective for the accounting year ended 31 December 2020 in these financial statements:

Amendments to HKAS 1	<i>Classification of Liabilities as Current or Non-current</i> ²
Amendments to HKAS 16	<i>Property, Plant and Equipment: Proceeds before Intended Use</i> ¹
Amendments to HKAS 37	<i>Onerous Contracts – Cost of Fulfilling a Contract</i> ¹

¹ Effective for annual periods beginning on or after 1 January 2022

² Effective for annual periods beginning on or after 1 January 2023

The Company is in the process of making an assessment of the impact of the new and revised HKFRSs upon initial application. The new and revised HKFRSs are not expected to have any significant impact on the financial position or performance of the Company upon adoption.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Related parties

A party is considered to be related to the Company if:

- (a) the party is a person or a close member of that person's family and that person:
 - (i) has control or joint control over the Company;
 - (ii) has significant influence over the Company; or
 - (iii) is a member of the key management personnel of the Company or of a holding company of the Company;
- or
- (b) the party is an entity where any of the following conditions applies:
 - (i) the entity and the Company are members of the same group;
 - (ii) one entity is an associate or joint venture of the other entity (or of a holding company, subsidiary or fellow subsidiary of the other entity);
 - (iii) the entity and the Company are joint ventures of the same third party;
 - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;

SAVE THE CHILDREN HONG KONG LIMITED

NOTES TO FINANCIAL STATEMENTS

31 December 2020

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Related parties (continued)

(b) (continued)

- (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company;
- (vi) the entity is controlled or jointly controlled by a person identified in (a);
- (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a holding company of the entity); and
- (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Company or to the holding company of the Company.

Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

Expenditure incurred after items of property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the statement of comprehensive income in the period in which it is incurred. In situations where the recognition criteria are satisfied, the expenditure for a major inspection is capitalised in the carrying amount of the asset as a replacement. Where significant parts of property, plant and equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Depreciation is calculated on a straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Leasehold improvements	over the term of lease
Fixtures and furniture	33%
Computer equipment	50%

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately. Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at least at each financial year end.

An item of property, plant and equipment including any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in the statement of comprehensive income in the period the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are subsequently amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least annually at each financial year end.

Computer software

Computer software is stated at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is provided on the straight-line basis over its estimated useful life of 5 years.

Website development costs

Costs directly associated with the development of specific website, which include external direct costs of services incurred in developing the website, are capitalised. The capitalisation of such costs ceases no later than the point at which the website is substantially completed and ready for its intended purpose. Website development costs are stated at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is provided on the straight-line basis over its estimated useful life of 5 years.

Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(a) Right-of-use asset

Right-of-use asset is recognised at the commencement date of the lease (that is the date the underlying asset is available for use). Right-of-use asset is measured at cost, less any accumulated depreciation and any accumulated impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use asset includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use asset is depreciated on the straight-line basis over the following depreciation period, which is the shorter of the lease term and the estimated useful life of the asset:

Office premise

5 years

If ownership of the leased asset is transferred to the Company by the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Leases (continued)

(b) Lease liabilities

Lease liabilities are recognised at the commencement date of the lease at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for termination of a lease, if the lease term reflects the Company exercising the option to terminate the lease. The variable lease payments that do not depend on an index or a rate are recognised as an expense in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the interest rate implicit in the lease or, where that rate cannot be readily determined, the Company uses its incremental borrowing rate at the lease commencement date. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in lease payments (e.g., a change to future lease payments resulting from a change in an index or rate) or a change in assessment of an option to purchase the underlying asset.

Financial assets

Financial assets of the Company are initially recognised at fair value plus transaction costs that are attributable to the acquisition of the financial assets, except in the case of financial assets recorded at fair value through profit or loss. Regular way purchases and sales of financial assets are recognised on the trade date, that is, the date when the Company commits to purchase or sell the assets.

(a) Classification and measurement

Debt instruments are measured at amortised cost using the effective interest method, subject to impairment if the assets are held for the collection of contractual cash flows where those contractual cash flows represent solely payments of principal and interest.

(b) Impairment

The Company applies the expected credit loss model on all the financial assets that are subject to impairment. For account receivables without a significant financial component, the Company applies the simplified approach which requires impairment allowances to be measured at lifetime expected credit losses.

For other financial assets, impairment allowances are recognised under the general approach where expected credit losses are recognised in two stages. For credit exposures where there has not been a significant increase in credit risk since initial recognition, the Company is required to provide for credit losses that result from possible default events within the next 12 months. For those credit exposures where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure irrespective of the timing of the default.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial assets (continued)

(b) Impairment (continued)

The Company considers a default has occurred when a financial asset is more than 90 days past due unless the Company has reasonable and supportable information to demonstrate that a more appropriate default criterion should be applied.

(c) Derecognition

Financial assets are derecognised when the rights to receive cash flows from the assets have expired; or where the Company has transferred its contractual rights to receive the cash flows of the financial assets and has transferred substantially all the risks and rewards of ownership; or where control is not retained.

Financial liabilities

Financial liabilities include creditors and due to other Save the Children offices. They are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, they are subsequently measured at amortised cost.

Financial liabilities are derecognised when they are extinguished, i.e., when the obligation is discharged or cancelled, or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with banks, and other short term highly liquid investments with original maturity of three months or less when acquired, less bank overdrafts.

Government subsidy

Government subsidies are recognised at their fair value where there is reasonable assurance that the subsidy will be received and all attaching conditions will be complied with. When the subsidy relates to an expense item, it is recognised as income on a systematic basis over the periods that the costs, for which it is intended to compensate, are expensed.

NOTES TO FINANCIAL STATEMENTS

31 December 2020

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

General donations

General donations are recognised when the Company becomes entitled to the donations and it is probable that they will be received, which is generally upon receipt of cash.

Designated donations

Designated donations are earmarked for specific purposes and are initially recognised as deferred income and then recognised in the statement of comprehensive income over the same period as the related costs which they are intended to compensate.

Interest income

Interest income is recognised on an accrual basis using the effective interest rate method by applying the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, when appropriate, to the net carrying amount of the financial assets.

Contract liabilities

A contract liability is recognised when a payment is received or a payment is due (whichever is earlier) from a donor before the Company transfers the related goods or services. Contract liabilities are recognised as revenue when the Company transfers control of the related goods or services to the donor.

Translation of foreign currencies

Foreign currency transactions during the year are translated at the foreign exchange rates ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at the end of the reporting period. Exchange gains and losses are recognised in the statement of comprehensive income.

Employee benefits - pension scheme

The Company operates a defined contribution Mandatory Provident Fund retirement benefit scheme (the "MPF Scheme") under the Mandatory Provident Fund Schemes Ordinance for its employees in Hong Kong. Contributions are made based on a percentage of the employees' basic salaries and are charged to statement of comprehensive income as they become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Company in an independently administered fund. The Company's employer contributions vest fully with the employees when contributed into the MPF Scheme.

3. INCOME

The principal activities of the Company are fund raising for the promotion of children's rights and the delivery of immediate and lasting relief to children.

Income mainly represents general donations and designated donations received for the year.

Pension scheme contributions		715,753	646,013
		23,523,789	20,968,141
Less: Amounts capitalised in intangible assets		(293,760)	(378,000)
		23,230,029	20,590,141
Impairment losses of receivables	10, (ii)	-	96,000
Foreign exchange differences, net		263,421	(11,098)

The Company's expenditure is allocated to one or more of the three expenditure categories shown in the statement of comprehensive income: "Fundraising expenditures", "Administrative expenses" and "Funding for programs". These allocations are based on various factors including estimates of time spent and office space utilised by the departments performing work in each of these three areas. Expenditure related to governance matters is allocated entirely to Administrative Expenditure. Management reviews the basis of expenditure allocation annually to ensure that the estimates used fairly reflect the costs incurred.

Notes:

- (i) Amounts included in "Fundraising expenditure", "Administrative expenses" and "Funding for programs" on the face of the statement of comprehensive income are HK\$122,329 (2019: HK\$64,977), HK\$63,814 (2019: HK\$25,438) and HK\$131,259 (2019: HK\$65,509), respectively.
- (ii) This item is included in "Fundraising expenditure" on the face of the statement of comprehensive income.

	2020 HK\$	2019 HK\$
At 1 January	96,000	-
Impairment losses (note 4)	<u>-</u>	<u>96,000</u>
At 31 December	<u>96,000</u>	<u>96,000</u>

Other than those mentioned above, none of the above assets is either past due or impaired. The financial assets included in the above balances relate to receivables for which there was no recent history of default.

SAVE THE CHILDREN HONG KONG LIMITED

NOTES TO FINANCIAL STATEMENTS

31 December 2020

11. BALANCES WITH OTHER SAVE THE CHILDREN OFFICES

The amounts due from/(to) other Save the Children offices are unsecured and interest-free.

Impairment of balances with other Save the Children offices

The carrying amount of amounts due from other Save the Children offices approximated to their fair value as at 31 December 2020 and 2019. Their recoverability was assessed with reference to their financial position provided by the management, and the expected credit losses as at 31 December 2020 and 2019 were considered to be minimal.

12. CASH AND BANK BALANCES

Cash at bank earns interest at floating rates based on daily bank deposit rates. The bank balance is deposited with banks with high credit ratings and no recent history of default.

13. CREDITORS, ACCRUALS AND CONTRACT LIABILITIES

	Notes	2020 HK\$	2019 HK\$
Accruals	(a)	2,606,225	389,155
Creditors	(a)	793,351	62,910
Contract liabilities	(b)	<u>1,819,600</u>	<u>3,796,704</u>
		<u>5,219,176</u>	<u>4,248,769</u>

Notes:

- (a) All of the creditors and accruals are expected to be settled within one year.
- (b) Contract liabilities represented advances received from donors in respect of a charitable event to be held in 2021. The contract liabilities are expected to be recognised as income in the following year. The decrease in contract liabilities was mainly due to the recognition of certain donations received in prior year as income in 2020.

14. DEFERRED INCOME

The balance represents donations received for which the designated program activities had not been undertaken as at the end of the reporting period. They are recognised in the statement of comprehensive income over the period that matches the related costs which they are intended to fund.

15. GENERAL FUND

General fund is used for the general operation and administration of the Company.

SAVE THE CHILDREN HONG KONG LIMITED

NOTES TO FINANCIAL STATEMENTS

31 December 2020

16. FUND-RAISING EVENTS SUBJECT TO GOVERNMENT LICENSE

The following surplus from events held during the year, which required a public subscription permit from the Hong Kong Social Welfare Department, have been included in the statement of comprehensive income:

	2020 HK\$	2019 HK\$
Donations received	-	16,509
Expenditure incurred	-	(2,887)
	<u>-</u>	<u>13,622</u>

No events, which required a public subscription permit, were held during the year ended 31 December 2020.

The public subscription permits issued by the Hong Kong Social Welfare Department were as follows:

Year ended 31 December 2019

Permit number	Gross income HK\$	Gross expenditure HK\$	Net surplus HK\$
2019/024/1	1,201	-	1,201
2019/085/1	<u>15,308</u>	<u>(2,887)</u>	<u>12,421</u>
	<u>16,509</u>	<u>(2,887)</u>	<u>13,622</u>

The funds raised above were used for supporting local programs of the Company.

17. RELATED PARTY DISCLOSURES

- (a) In addition to those transactions and balances disclosed elsewhere in the financial statements, the Company had the following transactions with related parties during the year:

	2020 HK\$	2019 HK\$
Funding for programs granted to other Save the Children offices	100,707,793	106,424,803
Funding for programs received from other Save the Children offices	<u>2,330,270</u>	<u>2,232,182</u>

- (b) Compensation of key management personnel of the Company

	2020 HK\$	2019 HK\$
Short term employee benefits	6,216,166	7,657,470
Pension scheme contributions	<u>90,000</u>	<u>90,000</u>
Total compensation paid to key management personnel	<u>6,306,166</u>	<u>7,747,470</u>

18. FAIR VALUE MEASUREMENT

The Company has assessed that the fair values of receivables, deposits and other receivables, amounts due from/(to) other Save the Children offices, cash and bank balances, creditors and accruals approximate to their carrying amounts largely due to the short term maturities of these instruments.

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

NOTES TO FINANCIAL STATEMENTS

31 December 2020

19. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial instruments include receivables, deposits and other receivables, amounts due from/(to) other Save the Children offices, cash and bank balances, creditors and lease liabilities. Details of these financial instruments are disclosed in the respective notes to the financial statements.

The Company's ordinary activities expose it to various financial risks, including credit risk and liquidity risk. The risks associated with financial instruments and the policies on how to mitigate these risks are described below. Management monitors closely the Company's exposures to financial risks to ensure appropriate measures are implemented in a timely and effective manner.

Credit risk

All the Company's cash and cash equivalents are held in major financial institutions which management considered to be of high credit quality.

Maximum exposure and year-end staging

The table below shows the credit quality and the maximum exposure to credit risk based on the Company's credit policy, which is mainly based on past due information unless other information is available without undue cost or effort, and year-end staging classification as at 31 December 2020 and 2019. The amounts presented are gross carrying amounts for financial assets.

Currency risk

Foreign currency risk is the risk that the value of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's currency risk arises from donation income, cash and bank balances, funding for programs granted to other Save the Children offices that are denominated in Euros ("EUR"), Renminbi ("RMB") and United States dollar ("USD"). As the HK\$ is pegged to the USD, the Company considers the risk of movements in exchange rates between the HK\$ and the USD to be insignificant. The movements in exchange rates between the EUR and RMB against HK\$ will affect the Company's financial position and results of operations.

The following table demonstrates the sensitivity at the end of the reporting period to a reasonably possible change in the EUR/HK\$ and RMB/HK\$ exchange rates, with all other variables held constant, of the Company's surplus/(deficit) before tax and the Company's funds.

	Increase/ (decrease) in surplus and funds 2020 HK\$	Increase/ (decrease) in surplus and funds 2019 HK\$
If Hong Kong dollar weakens against EUR by 10%	254,275	188,272
If Hong Kong dollar strengthens against EUR by 10%	(254,275)	(188,272)
If Hong Kong dollar weakens against RMB by 10%	(21,417)	(11,214)
If Hong Kong dollar strengthens against RMB by 10%	<u>21,417</u>	<u>11,214</u>

SAVE THE CHILDREN HONG KONG LIMITED

NOTES TO FINANCIAL STATEMENTS

31 December 2020

19. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return through the optimisation of the equity balance.

The Company reviews the capital structure on a periodic basis. Adjustments are made to the capital structure in light of changes in economic conditions affecting the Company, to the extent that these do not conflict with the trustees' fiduciary duties towards the Company or the requirements of the Hong Kong Companies Ordinance.

20. APPROVAL OF THE FINANCIAL STATEMENTS

The financial statements were approved and authorised for issue by the board of trustees on 25 June 2021.
